The winners of The Taipan Cup were Dianne Tosh, Kev Alderton, Jim Watson and Geoff Saunders.

We donated \$475 to the ladies on the day as well as \$200 for the 19th Hole, thanks for all the support for this great cause. Leaky donated a cheque for \$1000 to the ladies, which was very much appreciated by the ladies.

We had 62 players and some cheerful spectators on the day, put on the B.B.Q. and the ladies provided the salads and sweets. Our thanks to Dave Thompson and Paul Rowan for their excellent culinary skills on the BBQ.

When the ladies had their full charity day on the 24th September, they raised about \$33,000 what a fantastic effort.

On the 22nd September the P.V.A Day and the Ron Melling Trophy Day was another success at Meadow Park. 50 players turned up to do battle and even though the weather didn't look

too good early we only had one shower that was a nuisance.

The winners, in a close contest, were Peter Harvey, Nerina Bickham, Terry Chipman and Ian Hodge.

The PVA ladies provided a healthy lunch, sweets and nibblies at half way.

The day raised about \$1600, and the prizes were plentiful. A special thanks to Wayne Oldfield who helped sort out the prizes for the winners, nearest the pins, etc, John Mac who did the score cards and the band. Thanks also to Russell and Janine for their generous support again and most of all Wanda Hamill should be congratulated for the work that was done in getting all the sponsorship for a top day.
