CAPTAINS REPORT

We hope everyone has got over Christmas, New Year, school holidays with grand kids etc, and you are all ready for a fun year of golf.

It has taken a couple of weeks after the handover with last year's committee to get back into the running of things.

I hope to get a newsletter to you about once a quarter to keep all informed what's happening in and around the club, especially those people who can't make it every Friday.

We had the pleasure of 2 visitors, namely Steve Mackie and Tim Karasoulos (5 RAR) guests of Dave and Linda. Both the guys thanked the club for the hospitality, and the boys even had some free coaching from Thommo. Look out Jimmy Glossop; you'll lose your job. Steve is from Warwick and Tim from Adelaide, hope to see you back again.

Great to see the numbers back up over 50 last Friday, hope that continues this week for the 1st round of the Club Championship and the BBQ.

Billy Thomas is out of hospital, and Bev drove him down for a few Crownies last Friday. We welcomed back Blue Brunette, Rob Wiseman, Stan Churchyard, Charles Geljon and of course we have Tom Gray from Dubbo with us for a few more weeks.

Our first away game has been arranged for Mullumbimby Golf Club on the 11th March, names and deposits will be taken this Friday, 26th February. This will be an 08:00 Tee-off, so make sure you are there early.

Our next away game on 6th May will probably be at Ocean Shores Country Club. They have to get back to me to confirm the date, we may have to change it a week either side depending on their comp. I will keep you informed as we get closer to the date.

Terry Chipman and Ruth are still in Melbourne; Terry rang to inform me that all of Ruth's tests were really good. Great news, they will be back to Queensland in about a month.

Until the next newsletter, I hope that you have some fun.
