

'SIT REP'

Vietnam Veterans Social Golf Club

Volume 44

February 2018

We have started the New Year in a great way even though it is probably too hot for 70 year old, and older vets, to be playing the game we love. Numbers are consistent with where we left off in 2017 so that's great to see.

Our sick list has Jimmy Donnelly getting treatment at the John Flynn every 3 weeks, all the best mate we are all battling for you.

Rob Wiseman has had a kidney removed due to a large tumour and will be out to visit us soon.

Allan Hill has been off with an injured leg, has had a moon boot on and will be back soon.

Roger and Adriaan have informed us that Peter Hermans is not well and had a heart procedure this week, we wish peter a speedy recovery.

Helen Kemp has played her last game of golf at boomerang due to a medical condition, we hope Helen can still come out and have a drink with us when she is well enough.

Great to have Tom Gray back with us for a few weeks, Tom won a Community Award for the work he does at the RSL in Dubbo, congratulations Tom.

Kerry Reeves and members of her family came out and had a BBQ with us, lovely to see.

Our Christmas party at the Lakefront Bistro was a huge success, the food and service was excellent. I'm sure those members who attended enjoyed the party, especially the price.

The away game at Koplicks Golf Course was a complete stuff-up, not by us, but by the owners of the course. We will not be going back there! If there were 2 toi-

lets and 2 people there would be a queue-up the way they organised things.

Prior to Christmas I organised an away game to Carbrook for 13th April, as this ties in with the Com-

monwealth Games I have changed the date to 23rd March. It will be with a 8:00 am hit off and cost \$45.00 for 18 holes with buggy and a lunch with 2 choices.

Congratulations to Dave Thompson for winning the Club Championship award. Dave is the only C Grade player to achieve this.

Dave Thommo proudly holds his Club Champion and C Grade Champion Trophies, Dave is the first C Grader to win the VVSGC Club Championship.

The AGM was held on the 19th January and the old committee was re-elected unopposed. We all thank you for your support and thanks to all the people that assisted throughout the year.

Our thanks to Ian Hodge who has spent many hours of his own time, writing reports and drawing up plans, to apply for and have a Government Grant approved to upgrade our memorial.

Until the next 'Sit Rep' - happy golfing.

Dan Tully
